INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
International Lifeline Fund
Washington, D.C.

We have audited the accompanying financial statements of the International Lifeline Fund (Lifeline), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lifeline as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

INTERNATIONAL LIFELINE FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

Based in Washington, D.C., the International Lifeline Fund (Lifeline) is a tax-exempt, non-profit organization, whose mission is to spark catalytic change across the developing world by implementing low-cost and highly replicable interventions that profoundly improve the quality of human life. To achieve this mission, Lifeline is addressing the two conditions most responsible for the plight of impoverished and vulnerable individuals in Sub Saharan Africa and Haiti by providing them with access to clean water and clean, fuel-saving cook-stoves.

Lifeline's vision is a world in which no one is forced to drink contaminated water, cook their food on an open fire or otherwise live without the lifelines people must have to lift themselves out of extreme poverty and improve the quality of their lives. Lifeline's clean water and sanitation (WASH) and fuel-efficient stove (FES) programs use the most cost-effective technologies and self-sustaining interventions.

Since becoming operational in early 2006, Lifeline's clean cooking program has provided some 130,000 fuel-efficient stoves which benefit over 649,000 impoverished and/or displaced persons in Sub-Saharan Africa and Haiti. Over the same period, Lifeline has provided access to clean water and associate hygiene/sanitation training for approximately 163,000 beneficiaries in over 247 rural communities in Uganda, at an average cost of under \$10 per person.

While we have been active in many countries, in 2014 and 2015 our largest activities were in our flagship location of Uganda. Currently, Lifeline operates a clean water program as well as three distinct FES programs which include a commercial, humanitarian and institutional program. Lifeline offers the same three FES stove programs in Haiti. Regrettably, due to mounting security concerns in the Dadaab region, Lifeline's FES program in Kenya is in under review. In the coming fiscal year, our focus will be to strengthen our current programs with an added concentration on growth and organizational development.

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with FASB ASC 958, *Not-for-Profit Entities*.

Cash and cash equivalents -

Lifeline considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

At times during the year, Lifeline maintains cash balances at financial institutions in excess of the Federal Deposit Insurance Corporation (FDIC) limits. Management believes the risk in these situations to be minimal.

Lifeline had \$86,848 and \$204,796, of cash on hand and in financial institutions in foreign countries at June 30, 2015 and 2014, respectively. The majority of such funds are not insured.

Grants and other receivables -

Grants and other receivables are recorded at their net realizable value, which approximates fair value. Management considers all grants and other receivables to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

In-kind contribution -

In-kind contribution consist of stove materials. In-kind contribution are recorded at their fair market value as of the date of the contribution.

INTERNATIONAL LIFELINE FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Furniture and equipment -

Furniture and equipment, which cost in excess of \$1,000, are capitalized and stated at cost. Furniture and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years for equipment and 27.5 years for buildings. Leasehold improvements are amortized over the remaining life of the lease.

The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation and amortization expense for the years ended June 30, 2015 and 2014 totaled \$86,226 and \$21,391, respectively.

Income taxes -

Lifeline is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. Lifeline is a private foundation.

Uncertain tax positions -

For the years ended June 30, 2015 and 2014, Lifeline has documented its consideration of FASB ASC 740-10 and determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

The Federal Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the Internal Revenue Service, generally for three years after it is filed.

Inventory -

Inventory consists of finished stoves, which are recorded at the lower of cost or market value using the first-in, first-out method of inventory.

Foreign currency translation -

The U.S. Dollar ("dollars") is the functional currency of Lifeline's worldwide operations. Transactions in currencies other than dollars are re-measured into dollars at the rate of exchange in effect during the month of transaction. Current assets and liabilities denominated in non-U.S. currency are translated into dollars at the exchange rate in effect at the date of the Statements of Financial Position; the effects of these conversions are recorded in the accompanying Statements of Functional Expenses.

Net asset classification -

The net assets are reported in two self-balancing groups as follows:

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of Lifeline and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of Lifeline and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

INTERNATIONAL LIFELINE FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Contributions and grants -

Unrestricted and temporarily restricted contributions and grants are recorded as revenue in the year notification is received from the donor. Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as temporarily restricted net assets in the accompanying financial statements.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

2. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at June 30, 2015 and 2014:

	2015	2014
Haiti Programs	\$ -	\$ 12,067
Uganda Programs	350,720	97,838
	<u>\$ 350,720</u>	<u>\$ 109,905</u>

The following temporarily restricted net assets were released from donor restrictions by incurring expenses (or through the passage of time) which satisfied the restricted purposes specified by the donors:

	2015	2014
Haiti Programs	\$ 12,067	\$ 37,933
Uganda Programs	153,734	313,435
	<u>\$ 165,801</u>	<u>\$ 351,368</u>

3. LEASE COMMITMENTS

Lifeline leased office space under a three-year agreement, which originated on March 1, 2012. Base rent was \$18,000 per year, plus a proportionate share of expenses, increasing by a factor of 3% per year.

INTERNATIONAL LIFELINE FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

3. LEASE COMMITMENTS (Continued)

In August 2014, Lifeline entered into a new sub-lease agreement for office space. The term of this sub-lease originated on September 1, 2014 and ends on March 31, 2018. Base rent is \$39,600 per year, increasing by a factor of 5% per year.

Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Accordingly, the difference between the actual monthly payments and the rent expense being recognized for financial statement purposes is recorded as a deferred rent liability on the Statements of Financial Position.

The following is a schedule of the future minimum lease payments:

<u>Year Ending June 30,</u>	
2016	\$ 43,659
2017	45,842
2018	<u>12,033</u>
	<u>\$ 101,534</u>

Rent expense (including utilities) for the years ended June 30, 2015 and 2014 was \$63,755 and \$76,140, respectively. The deferred rent liability was \$4,300 and \$4,360 at June 30, 2015 and 2014, respectively.

4. CONCENTRATION OF REVENUE

Approximately 73% and 69% of Lifeline's revenue for the years ended June 30, 2015 and 2014, respectively, was derived from operating grants awarded by Lifeline's Founder and Chairman of the Board. Lifeline has no reason to believe that the relationship with this individual will be discontinued in the foreseeable future. However, any interruption of this relationship (i.e., the failure to renew grant agreements or withholding of funds) would adversely affect Lifeline's ability to finance ongoing operations.

5. SUBSEQUENT EVENTS

In preparing these financial statements, Lifeline has evaluated events and transactions for potential recognition or disclosure through November 30, 2015, the date the financial statements were issued.
